

PRODUCT DESCRIPTION

The super-sleek flat panel 2-way satellites are combined with a powerful 6½ inch subwoofer, making the M3300SF a spectacular performer for all audio sources. Vivid, deep sound is produced by the 3 inch midrange and 10mm tweeter satellites as well as the computer designed subwoofer, extracting every subtle nuance from all sources. The wired remote control with mute function incorporates a built-in headphone jack, perfect for late night movies, gaming and other audio applications.
