

Gloss Black

PRODUCT BRIEF

Predator by Edifier, is a one-of-a-kind 2.1 speaker system, uniquely designed with a sci-fi inspired appearance. The system contains a 5 inch downward firing subwoofer, a pair of 2 inch front facing full range drivers and passive bass radiators producing a total power output of 20 watts RMS. The downward firing subwoofer creates deep, even bass, that can be tailored to fit individual needs with a separate bass adjustment dial, whilst the passive radiators enhance the bass notes making this unit perfect for full, rich audio. Connect to any audio device using the 3.5mm auxiliary input to turn the Predator into a stylish, great sounding, audio experience.

FEATURES

- Downward firing 5 inch subwoofer and one 2 inch front firing full-range driver in each satellite
- One 2 inch passive radiator in each satellite for enhanced audio output
- Angled satellites for enhanced sound projection
- Auxiliary input port for versatile connectivity to external devices
- Master volume and on/off dial located on the top of the subwoofer with blue halo indicator light
- Separate bass adjustment control for bass output
- All speaker drivers are magnetically shielded
- Universal 100V-240V power supply
