

C - HDMI/HDMI/FLAT

FLAT HDMI CABLE

Kramer's flat HDMI cable is designed for "invisible" and long distance installations. Go through the wall, under the carpet, around corners and behind the entertainment system with ease. The flat design of the cables renders them unobtrusive.

- **Quality Construction** - Constructed from flexible flat cable structured to have less crosstalk and interference than with traditional round HDMI cables.
- **High Quality Connectors** - Gold plated connectors resist corrosion, cut down on impedance and offer the best possible connectivity.
- **High Resolution** - the cables are capable of carrying extremely high bandwidth signals, including 1080p over longer runs than conventional designs, without signal degradation.
